

A diagram illustrating a file path transformation. It consists of two rectangular boxes connected by a vertical blue arrow pointing upwards. The bottom box is white with a black border and contains the file path: /Users/sandrews/SSA /software/Smoldyn/github /Smoldyn/source/MSVCLibs /tiffio.h. The top box is gray with a black border and contains the transformed file path: /Users/sandrews/SSA /software/Smoldyn/github /Smoldyn/source/MSVCLibs/tiff.h. The arrow indicates a mapping or replacement of the file name from /tiffio.h to /tiff.h.

/Users/sandrews/SSA  
/software/Smoldyn/github  
/Smoldyn/source/MSVCLibs/tiff.h

/Users/sandrews/SSA  
/software/Smoldyn/github  
/Smoldyn/source/MSVCLibs  
/tiffio.h
