

TestProperties

```
graph BT; A[TestPropertiesOverride] --> B[TestProperties]
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'TestProperties'. Below it is a gray rectangular box labeled 'TestPropertiesOverride'. A solid blue arrow points vertically from the top center of the 'TestPropertiesOverride' box to the bottom center of the 'TestProperties' box, indicating that 'TestPropertiesOverride' inherits from 'TestProperties'.

TestPropertiesOverride
